

A floor plan diagram showing a room layout. The room is divided into several areas. On the left is a narrow vertical strip with a cross-hatch pattern. The main area is divided into a top section (15.31 m²), a middle section (10.47 m²), and a bottom section (1.92 m²). A smaller room (5.38 m²) is located in the top right, and a shaded area (5.35 m²) is in the middle right. A curved dashed line separates the 10.47 m² area from the 5.35 m² area. A curved solid line separates the 1.92 m² area from the 5.35 m² area. A small rectangular area is located in the bottom right corner. The entire plan is enclosed in a thick black border.
